## TERMS OF SALE

1. A 10% Buyer's Premium is added to all invoices.
2. This sale is an unrestricted Public Auction and Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to KATEN SALES can attest to this fact.
3. We make no other charges except the actual cost of mailing, insurance/registration. On books we charge 50¢ per lot (a book dealer now charges \$2.00 per lot). When there is more than one book in a lot we use discretion, but never overcharge you. Minimum charge on books is \$1.00.
4. Bidders unknown to us must send a deposit of 25% of their bids. References are useful for future bidding.
5. We reserve the right to reject any bid from any bidder when we deem a bid not made in good faith. Most dealers want dollar bids only - but we will accept bids with 50¢. Minimum acceptable bid is \$3.00 with increments of 50¢.
6. Auction sales are not approval sales. By submitting your bids you agree to the terms of sale herewith set forth. No lot may be returned without written permission and request must be made within 5 days after receipt of material. No lot may be returned by floor bidders.
7. All books are as described. The actual title in a foreign language is given- the cataloguer may interpret the title which would be in parenthesis. All books are at least in fine condition unless otherwise mentioned. Books are hard bound unless CaC (Card Covers), pb (pamphlet binding), or pc (paper covers) is mentioned.
8. We acknowledge the possibility of errors or typographical mistakes, and any errors on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors.
9. Auction Sales are for U.S. cash funds. Payment must be made immediately upon receipt of material or upon notification. We reserve the right to demand payment before delivery.
10. Lots delivered in the State of Maryland are subject to a 5% Sales Tax and will be added to the invoice.

## AN IMPORTANT ANNOUNCEMENT

By FRANK and LAURESE KATEN

Thank you, our customers of many years as well as the scores of new customers who wanted a piece of the KATEN LIBRARY. We wish we could thank you personally for making our sale a success and for your confidence.

The second part of the Katen Library will be composed of world-wide texts, actually 1902 lots, a bibliography of affordable and available books.

Sale No. 77, the second part of the Katen Library will be held in Baltimore, Maryland, November 18-19, 1994. Among the highlights will be 34 books on Australia, Philippines and Hawaii; 77 books on Latin America; 62 books on the Far East; 175 books on Tokens and Jetons; a whopping 436 books on Paper Money as well as almost all of Keller's books on Notgeld; and 174 books on Medals and Decorations and 88 books on Mint Reports and Histories. Be sure to check The Easy Finding List when looking for a particular category.

We were gratified at the response to our offer of a bound copy of the five sales with name and number of the subscriber on the front cover. The first sale produced 61 orders (we have your money in an escrow account). At this point we shall limit the number of subscribers to 100. Newcomers who subscribe at \$100.00 (a bargain) will receive the regular copies of all catalogues for bidding and later the Prices Realized Lists. However newcomers may have Sales 77 and 78 for \$10.00 with the Prices Realized Lists later.

FOR BEGINNING OF AMERICAN NUMISMATIC SOCIETY STORY, PLEASE SEE BACK COVER

### *Honorees continued*

of his collecting' and has been producing sales catalogues since the 1930s. His name is included in the acknowledgment section of most of the standard collector references in use today, a tribute both to Art Kagin's expertise and his willingness to share what he knows."

**Frank J. Kalen** — "Frank opened his first coin shop in New Haven in 1944 and subsequently moved to his present home in Silver Spring, MD. Always interested in the educational aspects of collecting, by 1958 Frank had turned from a coin dealer who handled books to a numismatic book dealer who handled coins. He has contributed several articles to popular journals and, in 1992, shared his ninetieth birthday with us by participating in the Coinage of the America's Conference here on Canada's Money, the proceedings volume of which has just been published."

**Eric P. Newman** — "Eric, a business executive in real life, otherwise gives the impression that he is a full-time research numismatist. He is a member of the Society's governing Council; founder of the Eric P. Newman Numismatic Education Society which operates a public numismatic museum and library in St. Louis; and is probably the most productive scholar currently working in the American field, for which he has been awarded both the Royal Numismatic Society and our own Huntington medals for distinguished numismatic scholarship."

**John J. Pittman** — John is truly the "Ambassador of Numismatics" having spent the better part of his awards-rich life promoting the hobby aspects of numismatics. He holds the unique distinction of having served as President of the American and Canadian Numismatic Associations as he was also named Honorary President of the Sociedad Numismatica de Mexico. Unfortunately John was unable to join us at the ceremony. He was presented his certificate in a special ceremony conducted by Mr. Norweb at the ANA Convention in Detroit later in the month.

*ANS President R. Henry Norweb, Jr. presents John J. Pittman his Fifty-Year Member certificate*

In honor of the occasion, Society Fellow Joseph R. Lasser sent a beautiful floral tribute which served as a glorious centerpiece for the reception which followed the special meeting. Later that evening, the honorees joined members of the ANS Council, ANS Gold Circle Members and Millennium Club Members for dinner as guests of Mr. and Mrs. Norweb.

### *Letters Received*

The Society has received letters from two of the honorees discussing their long association with the ANS.

From Mr. Kagin: "From the time I received a nickel with a 'mistake' on it (1883 without cents) in payment for a *Collier's* magazine in 1926, coins, currency, etc. fascinated me. My first catalogues, while working for the Hollinbeck Stamp & Coin Company in the 30s, consisted of a few mimeographed sheets with mostly one or two line descriptions.

"The ANS helped in the evolving sophistication of my catalogues from those simple descriptions to the more elaborate and informative ones of later years. Whether by letter, phone or personal visits, the ANS was always most cooperative. The ANS represents

numismatics as an 'art' and a 'science' encompassing what we call 'civilization.'

"The ANS has enriched my life by enhancing my 'flights of fancy' through their printed publications, seminars and personal contacts. Membership in the ANS helps in the transition from being a 'collector' to becoming a 'numismatist.' I note a subtle reaction when mention is made that one is a member of the ANS, and the connotation is made that one appreciates and supports numismatics as an ART and a SCIENCE."

Mr. Newman wrote: "For over 75 years numismatics has enlightened my life. I feel as if I have been able to relive history through my numismatic collecting, research, writing and teaching. As a student of numismatics, I was privileged to be nurtured by many experts, including the staff of The American Numismatic Society.

"Sydney P. Noe encouraged my interest in early American coinage. George C. Miles stimulated me always to study topics in great depth. The intellectual community of dedicated ANS members and colleagues has continually been a vital stimulant to me, and my service to the ANS is merely a way of my saying thanks. I have served on the Council of the ANS for 32 years and if I am privileged to continue, I hope to be among the longest serving Council members."

All of us can be encouraged and inspired by the thoughtful dedication and service to the discipline exhibited by the lives of the 1994 ANS Honorary Life Members.

## ANS FIFTY-YEAR MEMBERS HONORED

FOR CONTINUATION OF A.N.S. STORY, PLEASE SEE PAGE 2.

July 15, 1994 marked the occasion of a special meeting at the ANS at which four ANS members—Arthur M. Kagin, Frank J. Katen, Eric P. Newman and John J. Pittman—were recognized for 50 years of membership in the Society.

ANS President R. Henry Norweb, Jr. chaired the meeting which included the presentation to each honoree of a hand-lettered, framed certificate identifying these individuals as Honorary Life Members of the ANS, followed by an illustrated talk on "The Rise of Realism and the New Numismatics" by ANS Associate Curator John M. Kleeberg.

### Joyous Occasion

In introducing the honorees, Mr. Norweb remarked, "Today's program is joyous for several reasons. First, we have the privilege of honoring four members of our Society whose loyalty and devotion to this institution stretches back 50 years; truly the modern history of the ANS has been written during their membership. Consider that when each of these gentlemen joined the ANS in 1944, the magnificent Edward T. Newell collection, the backbone of our holdings in many areas, had not yet been assimilated into our cabinets, and the Archer P. Huntington gift, which gave birth to the Society's endowment, had not yet been made. I trust that our honorees are

pleased with the progress that has been made in these past 50 years."

Mr. Norweb continued, "Another cause for joy is the happy coincidence that brings together today, in person or in spirit, four of America's outstanding numismatic personages, any one of whom lends distinction to any gathering he attends. We are indeed honored to multiply the distinction of this occasion by a factor of four."

### Honorees Introduced

As Mr. Norweb presented the certificates to the honorees, ANS Director Leslie A. Elam remarked briefly on each individual:

*Arthur M. Kagin* — "Art is from Des Moines, Iowa, and claims a fascination with coins that dates back to 1926. He is 'a collector who has made a profession
